💻 Get The Extension

Ask

Ready to launch your next viral meme coin or just explore the innovative world of instant Solana token deployment? WenMoon makes it easy.
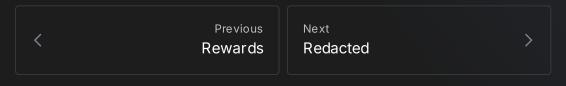

For Creators:

1. Visit wenmoon.gg. ↗
2. Download and install our 1-click deploy Chrome Extension.
3. Connect your Solana wallet.
4. Craft your X (Twitter) post, hit deploy, and watch your token go live!

More Good Stuff:

1. Trade our tokens popular platforms like Axiom ↗ & GMGN ↗.
2. Check all your deployed tokens right from your browser extension & claim rewards in a single click!

Join the WenMoon community and be part of the next wave of Solana meme culture!
